# FINAL PRESENTATION

OKUNOLA ABDULLAHI

Agenda

- **Acknowledgements**
- **About me**
- **Best topic**
- **Review**

• Acknowledgements

- I want to say a big thank you to my parents(MOM) for giving me the opportunity to take part in the clevered program ,i will also like to thank my teacher (MR.Avishek Das) for the mentorship.

- I will like to say a big thank you to clevered for this wonderful opportunity to be part of {her} life changing program

ABOUT ME

- MY name is Okunola Olamide Abdullahi , i am a student of the university of ILORIN, Nigeria.

- I developed interest in coding right from my primary education before i finally decided to go into ARTIFICIAL INTELLIGENCE (machine learning) and CYBER SECURITY (SOCIAL ENGINEERING).

" My best topic in this level is Exploratory data analysis.

OKUNOLA ABDULLAHI

EDA

Exploratory Data Analysis

This refers to the critical process of performing of initial investigation on a data so as to discover patterns to plot analomies and to test hypothesis with the help of graphical repersentation.

Classes with my teacher has been very lively and interactive.

Thank you

clevered

MR.Avishek Das
